

# AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

**Name:** Naibe

**Surname:** Veliyeva

**Father name:** Bahram

**Date of birth:** 08.04.1975

**Work phone:** -

**Mobile:** 0552994447

**E-mail:** naiba\_6500@mail.ru

**Faculty:** Soil science and agrochemistry

**Department:** Plant protection

## EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

In 1996 she graduated from the Faculty of Fruit and Vegetable growing of the ASAU.

In 2008 she graduated from the Faculty of Agricultural Economics.

In 2018, she defended her Ph.D. thesis on "Major Diseases

tomato, eggplant and pepper in the western region of Azerbaijan and development integrated measures to combat them"

## EMPLOYMENT

For 2004-2009, an engineer in the Department of Automatic Management of the organization

In 2009 she worked as a technician in the Faculty of Agricultural Engineering ASAU.

In 2011 she worked as an assistant in the Department of Crop production and plant protection.

Author of 14 articles, 2 programs.

## RESEARCH AREA

Plant protection

## AT INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES PARTICIPATION

1. National scientific-practical conference dedicated to the 90th anniversary of the national leader H. Aliyev, Ganja, 2013.
2. International scientific conference "The role of young scientists in agriculture: problems and opportunities", dedicated to the 91st anniversary of the National Leader of the Azerbaijani people Heydar Aliyev and the Day of National Salvation. Ganja, 2014
3. Republican scientific conference "Actual problems of integration and science in the modern world." Lankaran: Lankaran State University, 2017.
4. Scientific and practical conference: "Actual problems of modern natural and economic sciences." Ganja, GSU, 2018
