

AZERBAIJAN STATE AGRARICULTURAL UNIVERSITY

Name: Muhammad
Last name: Huseynov
Father's name: Safiyar
Date of birth: 10.12.1957
Work phone: -
Mob: 0558151741
Email: mh4780029@gmail.com
Faculty: Soil science and agrochemistry
Department: Agrochemistry

EDUCATION, SCIENTIFIC DEGREES AND SCIENTIFIC NAMES

1984-graduated from the agronomy faculty of the Azerbaijan Agricultural Institute.
2008-graduated from the second faculty of economics of the Azerbaijan Agricultural Academy.

1990-defended dissertation on Agrochemistry.

An associate professor since 1994.

Doctor of Philosophy in Agrarian Sciences, Associate Professor

EMPLOYMENT

1984 -1989, the head of the teaching and practical department of the institute,

1990, -an intern at the Department of Agrochemistry and Soil Science,

1992 -1994 an assistant at the department,

1994 - 2016 an associate professor at the Department of Agrochemistry and Soil Science

Since 2016, he is an associate professor of "General Agriculture, Genetics and Breeding"

2019 Associate Professor of Soil Science

2020 Associate Professor of Agrochemistry

At the bachelor's level - Agrochemistry, fertilization system and master's degree - modern problems of soil science and agrochemistry, lectures and laboratory classes on agrochemistry

He is the author of about 80 scientific works, 1 textbook, 2 methodical aids, 2 programs.

Ecological Toxicology, Ganja 2001, printed page 128

Methodical aids on agrochemistry, ADAU, 2008

Fertilization system, methodical aids, 2010

For a master's degree in ecology in agrochemistry, Ganja 2010

RESEARCH AREA

Restoration of soil fertility and increase of crop productivity

PARTICIPATION IN INTERNATIONAL SEMINARS, SYMPOSIUMS AND CONFERENCES

1. At a conference at Moscow State University in Russia
2. 3rd Congress of the Azerbaijan Society of Soil Scientists, 2011 "Biological activity of gray-brown soils", Baku

SCIENTIFIC WORKS

1. Huseynov M.S. Effectiveness of mineral and organic fertilizers under sugar beet, Journal of Agrochemistry, 2008
2. Huseynov M.S. Problems of nitrate accumulation in plants in connection with the application of fertilizers, Scientific Conference, Ganja 2010
3. Huseynov M.S. Amount of minerals and microelements in cultivated plants of forage importance in Jeyranchol massif, International scientific conference, Baku, 2012
4. Huseynov M.S. Proceedings of the International Scientific Conference, 2012 Ways to increase the fertility of lands used in vegetable growing in the Samukh region.
5. Huseynov M.S. "Soil degradation of the winter pastures of the Azerbaijan Republic", University of London, British Journal of Science and Culture, London, 2014, pp. 31-36
6. Huseynov M.S. Degradation of pasture soils in Azerbaijan due to overgrazing and ways to improve them I "Science and World Magazine, Volgograd, 2014, No. 9, September

LANGUAGE SKILLS
